PROJECT DESIGN

3.1 Design Considerations

3.1.1 Assumptions and Dependencies

3.1.1.1 Assumptions

- Every faculty would register into the portal.

- The ids for the documents are generated on the order of insertion.

- The faculties registered are mailed with the activation link.

- The faculties should follow the activation link to activate their account.

- All the forms have a drop down button allowing the user to select only the valid id numbers.

- The data respective to the faculty can be modifies by the faculty. Admin can modify any data.
